

Appl. No. 10/587,415
Amendment dated August 17, 2009
Reply to Office Action of February 17, 2009

Amendments to the Specification

In "Brief Description of the Drawings", please remove the following paragraph after Para. [0060] if it has been entered:

~~FIG. 20 illustrates another embodiment.~~

Please amend Para. [0087] to exclude the reference to Fig. 20 as follows:

The self-supporting and self stabilizing characteristics of the wheeled luggage case make it suitable for transporting an infant in addition to the contents of the case. For this purpose, a child seat ~~(see, e.g. reference number 66 in FIG. 20)~~ may be disposed on top of lid and be secured to the case

Please amend Para. [0103] as follows:

Seventhly, in addition to the push trolley function, the push trolley suitcase can conveniently be converted into a push pram for babies or toddlers with suitable accessorial and safety attachment ~~(see reference number 66 in FIG. 20).~~
